Source(s) of Images and Ideas (include references and credits, e.g. book title, author, web-site details)

I found the image from pinterest, with the creator account named Maroun Choukair

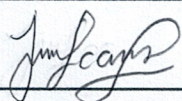

List the program(s) (e.g. Adobe® InDesign®, Microsoft® Publisher®) used to design the poster:

I used canva to make the poster

Describe the step-by-step procedures used to complete your project:

1. I search for the image
2. I type the "Righteous In Christ" as the heading
3. I searched some Bible verses that talks about Righteous in Christ then added it into the poster. Next, I create the box for the verse background.
4. I searched "bird" in the elements, and chose the white dove, then place it on the upper-right corner of the verse box
5. I made the 3 identity icons with brown circle for the background of the icons, then added heart, cross, bird elements onto each circles.
6. Then I added the label for each icons and added some decorations
