Lighting Conditions:			
Natural:			
Artificial: This photo was taken at night and the lighting was from the stage lights and LED screen as the light source. No flash from my phone was used.			
Describe how you came to your end result and why you chose this subject:			
I choose this photo because it was a memorable picture. It was my first time coming to a concert with my friend. Also, I like the blue lighting color, that is why I chose this photo.
