Name:

Allison

Name:

James David.

School:

Goroka Christian Academy

Cust. Code:

Goro 01

State your purpose, hypothesis, or reason for your project:

I collected different species of leaf because it was in our school yard. and some are in our forest.

Record the process or steps used in solving or approving the problem (hypothesis) or include an illustration of how your project works:

Firstly I collected leaves and then second I search the scientific name and then I frame my collection.

What has been proved or illustrated, or what is the conclusion drawn from your project:

I have come to a conculation that there is many leaves but I collected this leaves from the sam family tree. and some are shaples.
