	Manual ☐		Shutter Speed:
			ISO:
			Light Meter (Exposure):
Lighting Conditions:			
Natural: sunlight			
Artificial:			
Describe how you came to your end result and why you chose this subject:			
When I first looked at the subject, I positioned myself to the right place. I took my camera to capture the photo. This photo is imitating the relationship between the creation by God and structure by man through the knowledge given by God. At last, I edited the color and brightness to my liking.
