Artwork MUST NOT be copied.

Please list the details of the source(s) of your ideas (e.g. book title/author, photographer's name, web address - not Google!) My art teacher sent some photos, and I found one that I liked and used it for inspiration.
List the materials and tools used in completing your project: I used acrylic paint, some water, several different sizes of paint brushes, a paint palette, and a canvas.
Describe the step-by-step procedures used to complete your project: First, I painted the sky and the clouds. Then, I painted the three green hills. After that, I added the two waterfalls and the rocks. I added the trees, starting from the farthest one to the nearest. Then, I added the flowers and the river. Finally, I checked it over again and added small details, like flowers, leaves, or reflections.
