List the materials and tools used in completing your project: canvas, acrylic paint, paint brushes, pencil, rubber, skewer, rag, paint dish
Describe the step-by-step procedures used to complete your project: First I looked for an inspiration picture. Then I chose a canvas. I started by doing a rough sketch. then proceeded to paint the sky. Next I painted the mountains and river. I painted the foreground and trees. I decided to paint the trees slightly different to the inspiration picture. I used a skewer to make the stars and last but not least, I signed the picture
